Introduction

On 6th July 2024, Hon'ble Chief Minister Shri Mohan Charan Majhi announced for establishment of at least one Cold storage in each of the 58 subdivisions of the state. Such facilities at the sub-division level would benefit the farmers by reducing their post-harvest losses and increase the values of agricultural products.

Odisha has a wide range of horticulture crops, including vegetables, fruits, spices, flowers, and tubers. The state's agro-climatic conditions are ideal for growing these crops. However, post-harvest quantitative and qualitative loss of fruits, and vegetables substantially affects income of growers. Lack of adequate infrastructure and knowledge gap among farmers are major determinants for post-harvest losses. The lack of adequate cold storage facilities forces farmers to sell their produce immediately after harvest, creating supply gluts that lower farm-gate prices, while consumers face high rates later due to scarcity. Expanding cold storage infrastructure could significantly stabilize prices by enabling farmers to store surplus produce and release it strategically, reducing wastage and curbing extreme price fluctuations.

The State Cabinet, in their 14th meeting held on 22.01.2025 approved the "Financial Assistance to Cold Storages" scheme. The State Government in Department of Agriculture and Farmer's Empowerment notified the scheme vide Notification No. DHO-NHM-PLAN-0001-2025 2567 /A&FE dated 30.01.2025.

Objectives

The scheme "Financial Assistance to Cold Storages" is introduced with an objective to strengthen cold storage facilities and infrastructure, to establish at least one cold storage in each of the 58 sub-divisions of the state, to encourage private applicants to set up cold-storages in hitherto uncovered and economically feasible locations, to enhance income of farmers by providing better market opportunities, value-addition and processing of agriculture, horticulture and allied sector commodities, to address post-harvest losses, and to prevent distress sale of harvested crops.

Nodal agency

The Agricultural Promotion & Investment Corporation of Odisha Limited (APICOL) under the Department of Agriculture and Farmers' Empowerment is the Nodal Agency for implementation of the scheme "Financial Assistance to Cold Storages".

Pattern of assistance

The patterns of assistance for the new and existing cold storages (sick / stressed / defunct) on different components shall be as detailed below:

Capital Investment Subsidy (CIS) for new cold storages

1. Capital Investment Subsidy (CIS) assistance shall be provided by including cost of land and building in capital expenditure.

2. SC / ST/ Women / Transgender beneficiaries and beneficiaries from scheduled areas shall get a subsidy of 60% of fixed capital expenditure limited to Rs.6.50Cr, whichever is **lower**.
3. Other beneficiaries shall get a subsidy of 50% of fixed capital expenditure limited to Rs.6.00Cr, whichever is **lower**.
4. Capital Investment Subsidy will be available **only** for establishment of new cold storages.

Interest Reimbursement

1. Interest reimbursement will be provided on the differential amount between total loan amount sanctioned by the bank and the eligible upfront CIS released by APICOL. The quantum of benefit will be up to 6%, out of which 3% interest reimbursement will be as per AIF scheme guidelines from Govt. of India and additional 3% top-up interest reimbursement will be from the State Government.
2. DoH will place funds with APICOL for interest reimbursement support to new cold storages (cold storages **only** under bank finance). The financing bank will send requisition to APICOL for the release of interest reimbursement.

Working capital support

Both new and existing cold storage units will be entitled to reimbursement of interest paid by them to the loan account in case cash credit / working capital loans availed from banks for purpose of establishing cold storage. The reimbursement will be directly paid to the cash credit / working capital loan account of the beneficiary.

| Slabs | Limit of working capital loan sanctioned (i.e., Cash Credit limit) by banks | Reimbursement of interest paid (in Percentage) |
|--------|-----------------------------------------------------------------------------|------------------------------------------------|
| Slab-1 | Up to Rs. 10 Lakh | 100% |
| Slab-2 | Above Rs.10 Lakh and up to Rs. 50 Lakh | 75% |
| Slab-3 | Above Rs. 50 Lakh and up to Rs. 1 Crore | 50% |
| Slab-4 | Above Rs. 1 Crore and up to Rs. 5 Crore | 25% |

Electricity tariff subsidy

1. The electricity tariff subsidy is limited **only** to cold storage unit operations.
2. 50% electricity tariff subsidy will be provided on the total electricity bill of cold storages operations for a maximum period of seven years from the date of commencement of business operations in case of the new cold storage facilities.
3. In case of existing operational units, and the units that may be revived in future, the electricity tariff subsidy will be paid for a maximum period of seven years **including** accrued period for arrear bills (if any).
4. Electricity tariff subsidy shall directly be reimbursed through GO-SUGAM to the beneficiary of the cold storage unit

Revival of non-functional cold storages

1. In addition to the financial and other assistances mentioned above (excepting Interest reimbursement & Capital Investment subsidy), financial assistance up to maximum Rs.1.5 Cr may be considered, on a case-to-case basis, in case of non-functional units (sick/stressed/defunct) willing and which can be revived.
2. This financial assistance can be given only towards particular sick/stressed/defunct cold storages having arrear electricity dues (excluding security deposit), arrear taxes (only commercial taxes like GST), arrear bank dues (related to sick/stressed/defunct cold storage) and such other statutory and non-statutory dues to be paid to the Government or public utility service providers.

Convergence and policy support

1. Cold storage units will be tagged to potential Agriculture Production Clusters (APC). APCs will be set up in the catchment area of the cold storage units wherever it is not existing. Training and capacity building of farmers, cold storage applicants and stakeholders will be taken up.
 - a. **Existing agriculture production clusters:** APCs in existing blocks in 16 districts will be mapped with new and existing cold storages seeking assistance under the scheme. Facilitating Agencies under the APC scheme will work in coordination with the mapped cold storages. The DoH will tag potential existing clusters to both new and existing cold storages benefiting under the scheme. A detail SOP for the same will be issued separately by DA&FE.
 - b. **New agriculture production clusters:** Willing cold storage units may take up the role of FA for new APC clusters/blocks. Suitable procedure will be developed in selection of FA for new APCs.
2. The relevant departments under the APC scheme like Dept. of Mission Shakti, Dept. of FARD, Dept. of SC & ST, Dept. of Panchayati Raj and Drinking Water, Dept. of Water Resources, & District Administration will provide financial assistance for the convergence of related schemes.
3. The DA&FE will leverage funds from available govt schemes, wherever possible.
4. Storage and transport subsidies will be paid through the existing Post-Harvest Management scheme of DoH, DA&FE.

Eligibility Criteria

1. Any individual, partnership firms, registered farmer collectives¹, registered community-based organizations, industry associations, for-profit organizations and companies registered under Companies Act 2013 (**including** those registered outside of Odisha) are eligible for availing CIS.
2. In-case of groups, two office bearers duly authorized by the Executive Body will act as the applicant for CIS.
3. The applicant must have:
 - i. Individual applicant must be in possession of a valid Aadhar and PAN card at the time of application.
 - ii. In case of groups/company, Aadhar and PAN card of the representatives, PAN card of the company is mandatory.
 - iii. GSTIN registration certificate.
 - iv. The applicant must have land in his/her name, or his/her spouse's name or must have lease duly authorised by the concerned sub registrar in the state of Odisha.
 - v. Registered lease agreement/RoR of the project land in the name of the applicant is required. In case land is in the name of spouse, the applicant will have to submit NoC (see annexure)
 - vi. In case of registered lease agreement, lease deed for a period of minimum 15 years from the date of Go-ahead is required.
4. The minimum age of the applicant must be 18 years as on the date of application.
5. In case existing cold storages (sick/stressed/defunct), applicant should have a RoR /registered lease deed in the name of applicant (of the land where cold store is situated), arrear bank pending dues certificate from financing bank, arrear electricity pending dues certificate, arrear taxes, audited financial statement for pervious 2 financial years, and such other statutory and non-statutory liabilities to paid to the Government or public utility service providers.
6. In case an applicant passes away before completion of the project under the scheme, the legal heir can continue the project, if she/he desires to do so. The legal heir has to submit the following documents for continuance of the Project:
 - i. Legal heir certificate
 - ii. Death certificate of the deceased applicant, and

¹ Farmer Collectives: Farmer Producer Organization (FPO), Farmer Interest Group, Producer Group, Cooperatives, Self Help Groups

- iii. NOC from the other legal heirs (if, any) in shape of an affidavit executed before the concerned Sub-registrar
- iv. A fresh Go-ahead letter will be issued after necessary modification in favour of the new applicant with the same validity period as mentioned in the previous Go-ahead letter.
- v. The CIS will be calculated as per the eligibility of the new applicant and the new CIS will be mentioned in the revised Go-ahead letter.

Application process

1. Applications should be made in GO-SUGAM portal.
2. Applicant can apply in more than one block/subdivision simultaneously for establishing new cold storage.
3. Existing cold storages (sick/stressed/defunct) in the subdivision should also apply through GO-SUGAM portal.
4. The applicant will upload all necessary documents as per Annexure II.
5. The applicant (for new cold storages) has to opt for either self or bank finance for financing the projects

Selection Criteria

For establishing New Cold Storages

1. Any number of cold storages can come up in a Block, but only one unit will be selected per Block for CIS and other assistances under this policy.
2. However, any number of cold storage units coming up in ULBs, shall be eligible for CIS and other assistances under this policy.
3. The selection (for new cold storages) will be made by the District Level Committee (DLC).
4. In case of multiple applications in a particular Block, applicant seeking least financial assistance from Government (CIS, etc.) will be given priority.
5. The land details will be meticulously verified by DLC in DLC meeting before recommending for issuance of Go-Ahead letter

For reviving Existing Cold Storages (Sick/Stressed/Defunct)

Applicant cold storage units (sick/stressed/defunct) shall be assessed by DLC and recommended to the State Level Committee (SLC) for selection. The SLC will decide on their selection and the conditions under which assistance will be provided to them.

Financing through banks

1. The projects are required to be credit linked from the banks in the form of Term Loan and Overdraft/CC for a minimum of 10% of the project cost. However, the bank has to evaluate the entire project for the purpose of financing and release of CIS.
2. Banks will mention the purpose of finance and the loan account details in the sanction order.
3. Consent letter from the bank is mandatory in the case of bank finance cases during DLC meeting for approval of the project.

Self-finance

The process for applicants who has opted for self-finance for establishing new cold storage is same as bank finance cases except the disbursement of subsidy will be done only after completion of the project, to the savings account of the applicant. Release of upfront CIS is not applicable.

Completion period

1. Completion period refers to the duration from issuance of Go-ahead letter till commencement of commercial operation.
2. The scheduled completion period for the new as well as existing cold storage units will be maximum 2 years from the date of issue of Go-Ahead letter
3. If the cold storage is not completed and commencement of commercial operation is not started within stipulated timeline, no subsidy and assistance under the scheme will be applicable.
4. However, in case of delay in execution of the project beyond completion period, for reasons beyond the control of the cold storage unit, SLC may condone the delay on a case-to-case basis.
5. If the cold storage unit fails to commence commercial operation within the stipulated period, subsidy and assistance received under this policy shall be recovered from the unit along with interest @ 12.5% per annum.

Implementation Committees

State Level Committee (SLC)

The State Level Committee (SLC), as mentioned below, will look after the policy issues related to the scheme. Any modification in the guidelines looking at the changing scenario will be at the disposal of the State Level Committee (SLC) with approval from Govt. in Department of Agriculture and Farmers' Empowerment.

| vi. | Any other officer/expert as co-opted by the DLC | : Member |
| vii. | Deputy Director, Horticulture | : Member |
| viii. | District Manager, APICOL | : Member Convener |

1. The DLC is authorized to approve all the new cold storage projects. The DLC will recommend to the State level committee on revival of existing cold storage. DLC will be conducted on 10th of every month.
2. The concerned DDH and DM APICOL will be the Joint District Nodal Officers (DNOs). Asst. Horticulture Officer and Asst. Agriculture Engineers will act as Joint Block Level Officer (BLO).

Detailed Project Report

1. The applicant will prepare DPR from professional agencies having technical feasibility competence in preparing Cold Storage DPRs.
2. The DPR of applicants should contain details of project, past experience in similar industry, business acumen, business projection for minimum 10 years, proportionate financial allocation of fixed assets, arrears if any (for existing cold storages (sick/ stressed/defunct), business plan to link with the production clusters (backward & forward integration plan with support of APC), & credit score (in case of bank finance).
3. The DPR will include information on feasibility aspects such as road connectivity, electrification, distance from nearby villages, pollution, etc.
4. The DPR may include components of civil construction, machinery specification, and any other items deemed necessary for the project as allowed under MIDH guidelines.
5. However, a customizable DPR will be available online on G-SUGAM.

Project Cost

The project cost of each Cold storage may vary and there is no fixed limit due to variation in type, size, capacity, etc. The DPR should adopt the following:

1. The MIDH, NCCD/OPWD rate whichever is lower for civil construction will be followed.
2. Model DPRs reflected in the MIDH/ NCCD/APICOL/NHB/Line Department/Any Govt. Agencies indicating capital investment, Working Capital requirement and financial analysis may be taken for reference.
3. In case of Refrigerated Van/ Insulated Van the rates of MIDH/PMMSY/NABARD/APICOL guidelines shall be adopted.
4. For front ended subsidy, cost of land (benchmark value), estimate of civil construction along with layout plan, make & model and capacity of machineries & implements, along with electric & water supply installations are to be indicated. (minimum 3 quotations for every machinery & equipment)
5. During finalization of CIS, the change of make & model and capacity of machineries/implements will be allowed, in this case CIS will be based on DPR and invoice rate, whichever is lower. However, the revised make & model and capacity of machineries/ implements/equipment should be approved by DLC.

Implementing responsibilities

1. DLC is authorized to approve all the projects under scheme for issuance of Go-ahead letter and can suggest APICOL regarding other issues related to implementation.
2. The DPRs will be reviewed by DLC for consequential issue of Go-ahead for execution of the projects irrespective of project cost. DLC shall go into merits of each case to decide whether the project qualifies for grant of Capital Investment Subsidy. Unless any critical issues arise during evaluation, the application should be generally recommended as per decided criteria. The minutes of the meeting duly approved by the DLC shall be circulated to DA&FE & APICOL.
3. In order to avoid the inordinate delay in settlement of issues related to land records, Ownership of land, Lease deed, Legal heir of RoR holder, etc. and subsequent delay in release of CIS in favour of the applicants, the accountability of verification of land records will be upon the DLC. Issues related to land should be meticulously scrutinized by DLC before issuance of Go-ahead letter.
4. Projects initiated without prior approval of DLC will not be considered for CIS.
5. The Zonal/Nodal/Branch Managers of the banks willing to finance the Cold storages should be present in the DLC meetings.
6. To support DLC, Collector -cum-District Magistrate may call experts in respective domain if required.

Implementation modalities

For new Cold storage unit

1. The applicant has to submit application online through <https://sugam.odisha.gov.in> and selecting APICOL and then Financial Assistance to Cold Storages. The applicant will also be able to apply separately for transit and storage assistance on GO-SUGAM subsequently.
2. The applicant has to submit on-line application (Annexure-I) enclosing all the details of capital investment in the project report summary format as per checklist (Annexure-II) along with 5 geo-tagged photographs of the proposed project site by using the mobile application/web GO-SUGAM portal (4 photos from different corners of the site & 1 photo with applicant at the centre of the proposed site).
3. In case of new Cold storage, the applicant has to provide a self-declaration on the list of his/ her family members and declare that he/she or his/her family members have availed subsidy in any other scheme for the existing enterprise including the current subsidy claim. The family declaration to be submitted by the applicant as per the Annexure-III.
4. In case, the valid Record of Rights (RoR) of the project land is in the name of his/her spouse, then he/she has to submit NOC in the Annexure IV.
5. The information pertaining to feasibility like road connectivity, electrification, distance from nearby village, pollution, etc. shall be furnished as a part of DPR.
6. Applicant has to pay Rs.2000/- non-refundable application fee online through payment gateway. However, the application fee will be Rs.500/- for SC/ST/Women/Transgender/WSHG/GPLF/BLF/DLF Persons with Disabilities (PwD)/Graduates of Agriculture and allied disciplines. The application fees are inclusive of GST.
7. The application details along with application fee will be verified by Joint BLO. In case of any discrepancy, Joint BLO shall revert back (maximum twice) the application to the applicant within 5 working days for compliance by a. An auto generated alert message/e-mail will be sent to the applicant.
8. After receipt of the compliance from the applicant, Joint BLO will visit the project site with the applicant for site inspection and verify the relevant land records, electricity connectivity, water source, road connectivity etc. and take 4 geo-tagged photographs of project site and one photograph of Joint BLO and applicant at the project site in a mobile app and upload in the GO-SUGAM portal. She/he will upload and submit the feasibility report (Annexure-V) in the web portal within 7 days.
9. In case of credit linked projects, Joint BLO along with Branch Manager of the financing bank has to make a joint visit to the project site before giving the feasibility report. The Bank Manager has to attach the Credit Information Bureau (India) Limited (CIBIL) report of the applicant. In all cases photograph of the visit is mandatory to be uploaded while applying.
10. Upon receipt of the proposal along with feasibility report online, the Joint DNO will process and review the land records on the basis of Tahsildar report. The Joint DNO may carry out on the spot verification of the proposal and interact with the applicant personally, if deemed necessary. Once Joint DNO is satisfied, they upload their recommendation. The recommendation will be either (a) recommended or (b) not recommended. Simultaneously, Joint DNO has to countersign the DPR. In not recommended cases, Joint DNO will upload the reasons for rejection in three points and maximum 50 characters within 8 days of receipt of the proposal. For all recommended cases an alert message will be sent to the Joint DNO to fix up a date for meeting. An alert message will also be sent to the Chairman, DLC.
11. DLC should sit 10th of every month (next working day, if the said day is a holiday) to review progress of the scheme. All proposals will be placed for consideration of issuance of Go-ahead letter. Cases will be evaluated by DLC committee (Annexure-VI).
12. The DM APICOL will prepare the proceedings and get it signed from Chairman, DLC. The proceedings will be uploaded in the portal. On approval of the proceedings, DM APICOL will click OK online and save the Go ahead Draft. DM APICOL will generate the Go-ahead letter and upload with his full signature. Applicant will download the Go-ahead letter from the portal. The process will be completed within 7 days.

13. The applicant will get Go-ahead within a maximum of 52 days from the date of online application completed in all respect. The specimen copy of Go-ahead letter is enclosed at Annexure-VII. Upon receipt of the go-ahead letter, the applicant will initiate work on the project.
14. In rejected proposals, SMS will be sent to the applicant with reasons of rejection.
15. Applicant will upload geo-tagged photograph of the project at three different developmental stages for construction and installation of machineries. Photographs in presence of financing bank is mandatory all developmental stages. For self-finance cases, photographs in presence of the Joint BLO is mandatory.
16. After completion of the project, the applicant will put a permanent display board indicating name of the scheme, nodal & implementing agency, name of the applicant, project cost, etc. in a visible location of the project. After completion of the project the applicant will submit 360° photo of the project along photo of with all major machineries (make and model should be visible) and put a permanent display board.
17. The application for giving completion shall be made by the Applicant in the prescribed format Annexure-VIII indicating investment made towards land, civil construction, electrification, water supply, equipment's and machineries etc. along with the detailed work done estimate by one Govt. 3. The applicant has to upload minimum 10 geo-tagged photographs of the existing project including civil construction, machineries, equipment etc. by using the mobile application.
4. The applicant has to provide a NOC of spouse in case land where cold storage is erected stands in name of spouse as per the Annexure-III.
5. The Valid Record of Rights (RoR) of the project land is to be submitted.
6. The information pertaining to feasibility like road connectivity, electrification, distance from nearby village, etc. shall be furnished as a part of DPR.
7. Applicant has to pay Rs.2000/- non-refundable application fee through payment gateway. However, the application fee will be Rs.500/- for SC/ST/Women/Transgender/WSHG/GPLF/BLF/DLF/Persons with Disabilities (PwD)/Graduates of Agriculture and Allied Disciplines. The application fees are inclusive of GST.
8. The application details along with application fee will be verified by Joint BLO. In case of any discrepancy, Joint BLO shall revert back (maximum twice) the application to the applicant within 7 working days for compliance by applicant. An auto generated alert message/e-mail will be sent to the applicant.
9. After receipt of the compliance from the applicant, Joint BLO will visit the project site with the applicant for site inspection and verify the relevant land records, existing civil construction, machineries, equipment, electricity connectivity, water source, road connectivity etc. and take minimum 5 geo-tagged photographs of project and one photograph of Joint BLO and applicant at the project site in a mobile app and upload in the web portal. The Joint BLO will verify all pending bills submitted by the applicant. She/he will upload and submit the feasibility report (Annexure-IV) in the web portal within 7 days.
10. Upon receipt of the proposal along with feasibility report online, the Joint DNO will process and review the land records and other project details for technical feasibility and financial viability. The Joint DNO may carry out necessary spot verification of the proposal along with experts (if found necessary). Once Joint DNO is satisfied, they upload their recommendation. The recommendation will be either (a) recommended or (b) not recommended. Simultaneously, Joint DNO has to countersign the DPR. In not recommended cases, Joint DNO will upload the reasons for rejection in three points and maximum 100 characters within 8 days of receipt of the proposal. For all recommended cases an alert message will be sent to the Joint DNO. An alert message will also be sent to the Chairman, DLC.
11. DLC should sit on 10th of every month (next working day, if the said day is a holiday) to review progress of the scheme. All proposals will be placed for consideration of issuance of Go-Ahead. The DLC will review the cases on technical and financial feasibility for revival.
12. The DM APICOL will prepare the proceedings and get it signed from Chairman, DLC. The proceedings will be uploaded in the portal. On approval of the proceedings, DM APICOL, on behalf of DLC will recommend the approved cases to State level committee. The process will be completed within 7 days.
13. The State level committee will discuss on case-to-case basis on the applications recommended by DLC and approve in State level committee meeting and share proceedings with DLC.
14. DM APICOL will upload proceedings of State level committee meeting in GO-SUGAM and (on behalf of DLC) will issue Go-Ahead letter (Annexure-V) to approved cases (valid for 1 year from date of issue) with all conditions.
15. The applicant on receipt of Go-Ahead letter will deposit online as well as in hardcopy of all relevant documents with details of statutory and non-statutory dues to be paid to the Government or public utility service providers with official seal and signature and certificate of any such Government or public utility service providers. (Annexure-VI)
16. The Joint DNO will then cross-examine such bills and countersign the documents and conduct Joint Verification of the cases. The Joint Verification team members are CDAO, Joint DNO, LDM, representative from DISCOM, and any other member deemed necessary by the committee. The committee will submit Joint Verification-cum-Valuation Report in Annexure-VII. DM APICOL will forward all documents to APICOL (both online and offline) (Annexure-VIII).
17. After receiving the proposal from DM APICOL, APICOL will scrutinize the proposal and submit a statement of all qualifying assistance, then DM APICOL will execute an agreement with concerned applicant (Annexure-IX) on non-judicial stamp paper worth Rupees hundred signed by both party in all

pages and upload online to generate financial assistance certificate (Annexure-X). DM APICOL will submit to APICOL both online and offline.

18. APICOL will disburse all qualifying statutory and non-statutory dues directly to the Government or public utility service providers having pendency on case-to-case basis.

- iii. On submission of Admin comparative by APICOL, the eligible CI and CIS amount will be reflected to the DNO.
- iv. DNO will generate the SRC (Annexure-XVIII) and will also execute an agreement (Annexure-XVII) with the concerned applicant on non-judicial stamp paper worth rupees hundred signed by both in all pages.
- v. DNO will upload the duly signed SRC, and agreement papers completed in all respect in the portal. Hard copies of SRC and agreement will be kept at APICOL along with latest loan account statement or loan closure certificate and savings/current account details as per applicability.
- vi. After receipt of original hard copy of the SRC and agreement papers completed in all respect, APICOL will release the eligible CIS amount as per the eligibility. The subsidy will be calculated based on the final verification of the project by APICOL.

Assessment of fixed capital

Land

Capital investment subsidy will also be applicable on the cost of land subject to maximum up to 10% of the project cost or 2 acres of land whichever is lower. Cost of land will be the lower of benchmark value of the land (as on the date of application) and the actual cost of acquiring/purchasing the land.

The land on which the cold storage is proposed to be set up should be:

1. In the name of Applicant/Applicant's spouse, or
2. Leased in from owner/RoR holder in favour of applicant /Group /Company /partners for a period of minimum 15 years (to be considered from the date of application) through a registered lease deed executed before Sub-registrar.
3. Leasing of land is not required in case of an applicant if the land stands in the name of his/ her spouse, but the consent of the spouse (As per the format in Annexure-V) is required in such cases.
4. NOC in the shape of self-declaration in the form of an affidavit from the co-shares / co-partners before concerned Sub-registrar will be considered as a legal document in case of joint ownership of land. But the land requirement for the proposed project should be within the land share limit of the Applicant.

Building (New Projects)

Only those newly constructed buildings (civil construction for cold store, office, storeroom, working room, sorting-grading house, labour shed, room for machinery, pump house, barbed wire / solar fence / internal road) specifically required for the project erected at the site after issue of Go-Ahead Letter will qualify for subsidy. Dwelling houses, quarters used for residential purposes, masonry compound wall will not qualify for the subsidy. For projects in NAC/Municipality/ Municipal Corporations areas, building plan approval to be obtained from the competent authority.

Project report

The admissible cost for preparation of project report shall be as per prevailing norm of APICOL. The applicant can have liberty of taking help of any professional agency mentioned earlier for DPR Preparation.

Electricity and water supply installations

The cost of electrical installations including transformer, generator/ inverter, electric wiring, etc., and water supply installations including tank, well, bore well, tube well, submersible pumps, overhead tank, and other equipment used in cold storages are eligible for availing CIS provided that subsidy from any other source is not claimed on any of the items.

Plant & Machinery

The value of plant and machinery as erected at project site will be taken into account which includes the cost of productive equipment, such as machineries, tools, implements, equipment etc. Transport charges, loading, unloading charges, insurance premium; and such other items as may be included from time to time, provided that subsidy from any other source is not claimed on any of the items. All cost norms will be as per MIDH or NCCD guidelines whichever is lower.

Insurance

Insurance of capital assets of the cold storage (new and existing sick/stressed/defunct) unit such as infrastructure, machineries, etc. shall be mandatory and the value of insurance premium for one year will be considered as capital investment. Items those are not being insured by the Insurance Companies are to be excluded from the mandatory list of insurance coverage.

Disbursement of capital subsidy

1. Capital Investment Subsidy will be disbursed to projects after the unit is completed and being operational.
2. The date of completion of the project would be as certified by the joint DNO.
3. The applicant shall be required to execute an agreement with the concerned DDH as per Annexure-XVII before release of subsidy by APICOL i.e. at the time of submission subsidy release certificate.

4. In case of bank finance case where the applicant will opt for front ended CIS, the same should be processed up to 80% of eligible subsidy under the scheme as per the scheme guidelines. The amount of up front subsidy will be kept in a mirror account of the financing branch till finalization of the final subsidy by APICOL after completion of the project. After finalization of the final subsidy, the differential amount (final eligible subsidy amount - upfront CIS) will be disbursed to the applicant's Bank Loan Account. In case where the differential amount is more than the loan amount, after adjustment of the loan amount, the rest CIS amount will be sent to the savings account of the applicant.
5. Access shall be provided to Bankers to facilitate credit monitoring.
6. Edit option for change of banks will be provided to DM APICOL.
7. Subsidy will be calculated as per guidelines and released into the Aadhaar and PAN linked bank account of the applicant / loan account of the applicant, mirror account maintained at the financing bank by APICOL.
8. In case of self-financing projects, the final CIS amount will be disbursed to the Aadhaar and PAN linked savings account of the applicant by APICOL.

Other capital assistance

1. Applicant will claim 3% interest reimbursement on loan availed as per AIF guidelines under central scheme and additional 3% top up from the state as interest reimbursement to be provided to new cold storage units. For reimbursement of the same, bank send requisition to APICOL in GO-SUGAM portal.
2. Working capital assistance support is to be provided by APICOL as per eligible slab of the applicant.
3. Incentives for quick completion as mentioned in scheme guidelines.

Mirror account

All modalities of mirror account applicable to similar enterprises under MKUY will be applicable to new cold storages under the scheme. On credit linkage of the proposal under the scheme, the concerned financing Bank will open a mirror account in the name of the applicant and submit an online release request for Front ended Capital Investment Subsidy (CIS) to APICOL through DNO indicating:

- i. Name of the Applicant
 - ii. Go-ahead No
 - iii. Type of project
 - iv. Project Cost
 - v. Capital Cost
 - vi. Recurring Cost
 - vii. Total project Cost
 - viii. Loan Sanction Order No.....Date.....Amount (Including both TL and CC/OD)
 - ix. Estimated CIS amount based on fixed capital of DPR/estimate with layout plan for civil construction & 3 valid quotations for each machinery & equipment including electric installation and water installations and benchmark value of the land wherever applicable.
 - x. Estimated eligible CIS amount as front ended CIS
 - xi. Mirror account number of the applicant, IFSC code, Name of the bank
1. On receipt of online request for release of front ended CIS, APICOL will finalize the front ended CIS amount to be released based on 80% of estimated CIS amount on fixed capital of DPR/ loan amount/ maximum of CIS eligibility under the scheme to the Bank.
 2. The finalized front ended CIS amount will be released to the designated mirror account of the bank under intimation to the concerned Bank, Applicant and joint DNO within 15 days of the receipt of the request. The advance CIS will be kept in the Mirror account at "Zero"% Interest rate.
 3. The lending Bank should disburse sanctioned loan amount to the applicant in accordance with normal banking practice. The EMI should be calculated without taking into account the front ended CIS amount released to the Mirror Account.

4. After completion of the project, APICOL will calculate the final subsidy amount as per the parameters of the scheme guidelines. and eligible CIS will be released to the Bank after deducting the front ended CIS amount already released.
5. On receipt of the balance CIS amount, the total CIS (CIS released to mirror account+ balance CIS released after completion of the project) will be adjusted against the loan amount. In such case, no interest would be payable by the applicant on the portion of the loan disbursed by the Bank equal to the CIS amount released to the Mirror Account and balance CIS released after completion of the project from the respective date of their credit to the Mirror Account/ Loan Account held by the concerned bank. Accordingly, the concerned Bank will recalculate new EMI for the applicant.
6. If the applicant fails to complete the project or CIS amount is less than the amount kept in the mirror account, APICOL will intimate to the concerned Bank. Accordingly, the Bank will refund the front-ended CIS to APICOL within 15 days of such intimation.
7. For front ended subsidy make, model and capacity of machinery/ implements to be indicated in the concerned **Annexure-XIX**. During finalization of CIS, change of make, model and capacity of machinery/ implements will be allowed as per requirement subject to approval of DLC. For civil construction, the costs will be as per scheduled rates of MIDH/NCCD/OPWD code or actual rates whichever is lower. However, CI will be based on the lower between DPR, Bank evaluation, Govt. Officers evaluation and actual invoice rate.

Audit

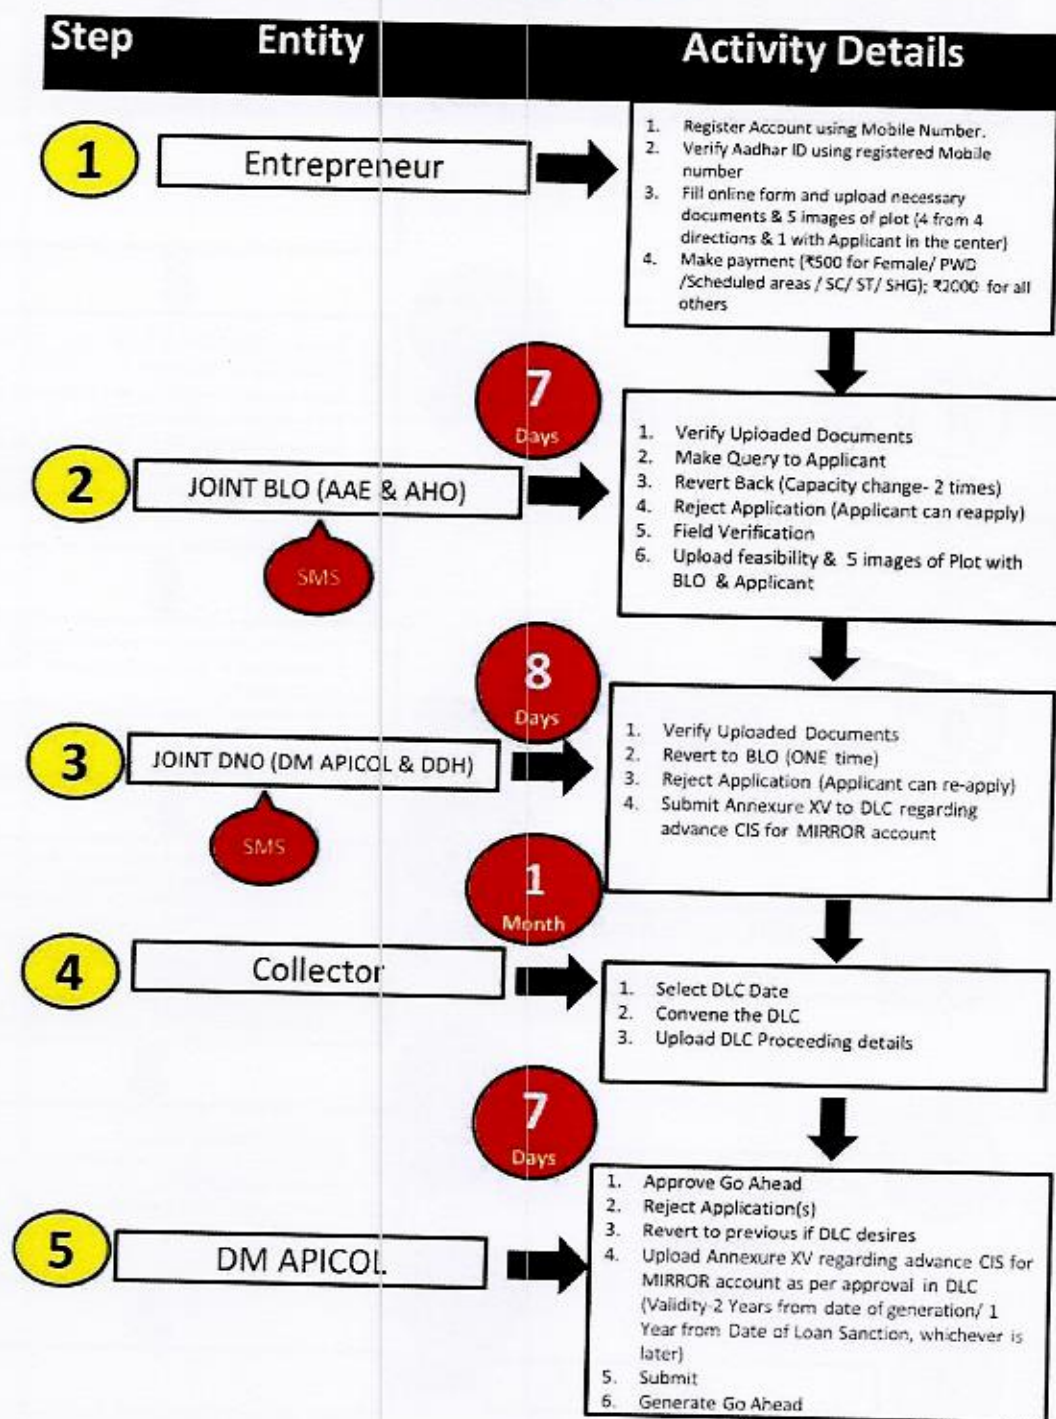

The accounts maintained by APICOL shall be submitted to the Government of Odisha within 4 months from the date of financial year ending. The A.G., Odisha on receipt of such reports will audit the accounts.

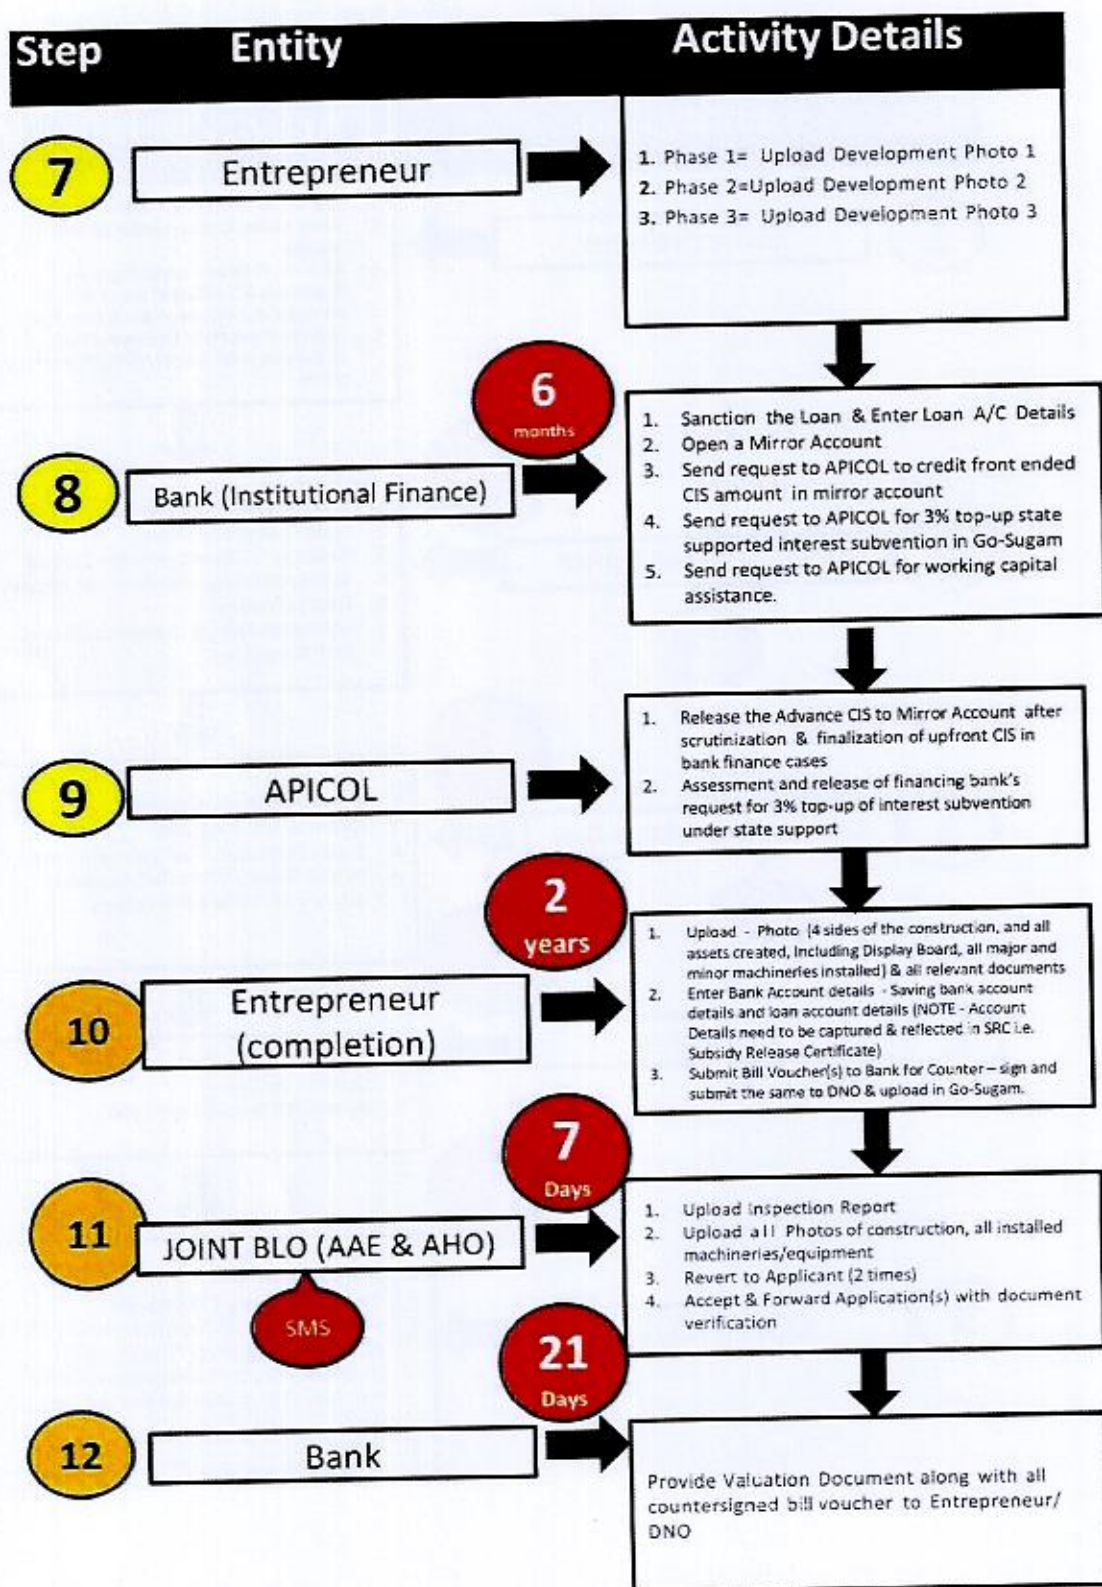

Recovery

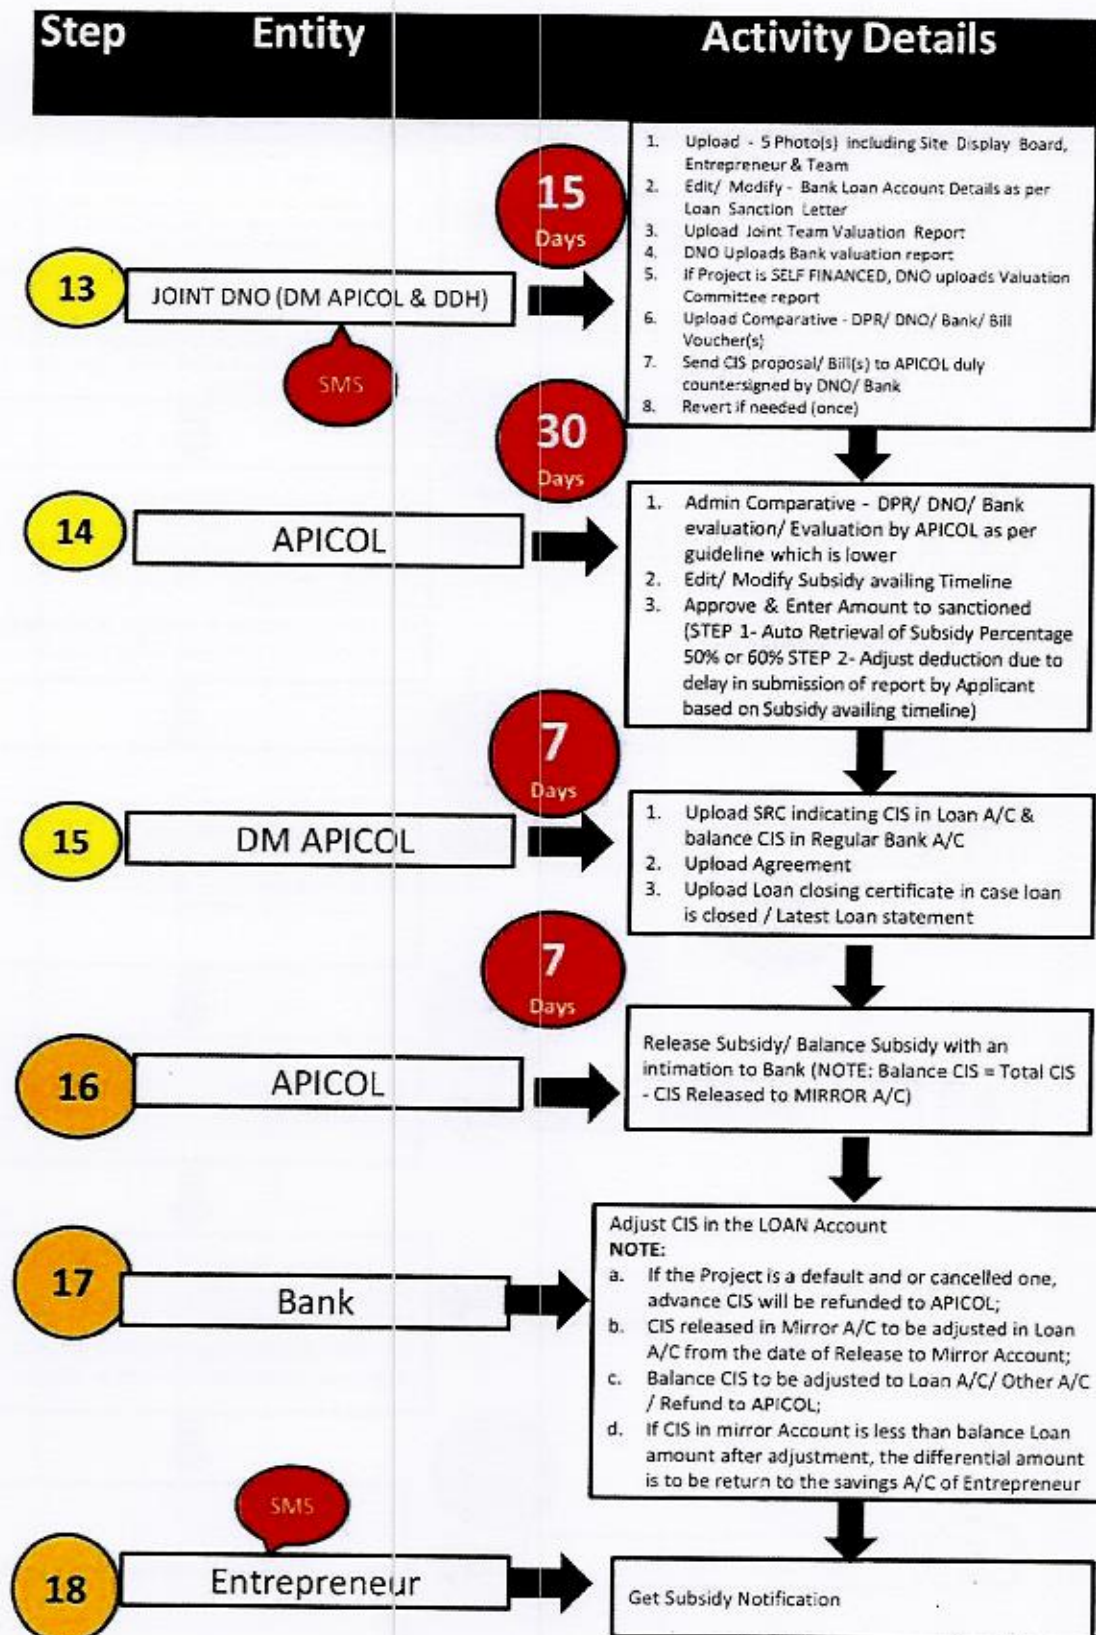

Where an unit in the opinion of the State Level Committee/ MD, APICOL (Subject to post facto approval of SLC)/ District Level Committee has availed the CIS or any other subsidy or benefit by misrepresentation of facts or by furnishing false and misleading information or suppressing any information, cessation of the unit/changing the site of the unit prior to the period mentioned in the agreement (Annexure-XVII), the subsidy will be recovered as arrears of land revenue under OPDR Act.
